

Al-Anon Events Flyer Guidelines for Posting on the NYC Intergroup Website

All New York City Al-Anon groups, districts and area assemblies are welcome to post their news and events on this website. Below are guidelines for posting.

1. If you simply want a listing, please include the following information: borough, name of event, name of group if applicable, address, dates, times, and any other details that attendees would need to know, such as travel directions.
2. If you'd like to post a flyer that can be printed, please design it with either a border or a colored background, so that it looks nice on the site, and please send both a PDF file and a JPG file.
3. Send all information to webmaster@nycalanon.org. Please be aware that it might take a few days before your information appears online.
