### REPORTS

**Administrative Report** (Julie)

As of early July 2020, the literature was well stocked. Intergroup is shipping orders out on a weekly basis. Members may pick up small orders from Security at our Midtown location. There are also free downloads from WSO posted on the NYC AI-Anon website.

The Intergroup office was closed as of 3/16/20, but the building remained open. The office manager, May, has been working hard remotely. In July, May began working on site one day a week towards preparing to open the office safely.

The Board (current and former), May, and volunteers have been working hard to maintain our normal services. The volunteer phone is up, retaining the same pre-COVID-19 phone number (212-941-0094), and is answered during office hours.

Intergroup is focusing on keeping us all connected. We have added a new email account: [board@nycalanon.org](mailto:board@nycalanon.org). Members can use this account to reach out to the Board directly.
