

Al-Anon newcomers and visitors shouldn't go to "dark" meetings.

NYC Intergroup needs help from
tech-savvy volunteers
to devise a
simple, elegant,
non-labor intensive approach
for updating our 5-borough meeting list
and keeping it accurate.

This is NOT a long-term project.
But it's important.

Are you a techie? Manage data?
Have ideas?
We need your help.

Not a techie?
During the 7th Tradition break at your
meetings, please announce that we need
support for this project.
