

# Winter 2019 Outreach Service Opportunities

## Put Up Flyers Near a College Campus

The College Outreach Committee has created informational flyers showing meetings near campuses. You may post these anywhere. Download one, print a few copies, put them up near the campuses, or leave them in public places for people to take. You may also join the College Outreach Committee, if you'd like to be more involved. Email [info@nycalanon.org](mailto:info@nycalanon.org).

Flyers exist for Baruch College, Brooklyn College, Columbia University, Cooper Union, and New York University (Washington Square)

## Help Coordinate a Public Service Announcement Campaign

The Public Service Announcement Committee works with materials provided by the Al-Anon World Service Office such as posters, television commercials, and radio spots. Then they work with media outlets, the Metropolitan Transit Authority, and others to notify the public about Al-Anon as a resource. Join the Public Service Announcement Committee if you'd like to be more involved. Email [info@nycalanon.org](mailto:info@nycalanon.org).

## Send Literature to Prisoners

The Correctional Facilities Committee sends Al-Anon Conference Approved Literature to prison libraries. They contact correctional facilities to determine how best to get the materials to the right people so that prisoners will have access to them. They also make lists of literature, source them, and ship them. Join the Correctional Facilities Committee if you'd like to be more involved. Email [info@nycalanon.org](mailto:info@nycalanon.org).

## Notify Families in the Foster Care System about Al-Anon

The Foster Care Committee works with foster care offices and families to let them know why we are, what we are, what we do and how. They let them know that we are available when help is needed. This may mean giving them literature, speaking at a facility, chairing a meeting, or other tasks. Join the Foster Care Committee if you'd like to be more involved. Email [info@nycalanon.org](mailto:info@nycalanon.org).
